

Paris, 29th October 2020

CERTIFICATE OF CONFORMITY

This certificate certifies that the products manufactured by Itena Clinical conform and meet all applicable requirements and design specifications which guarantee their safety and effectiveness.

This further certifies that the manufacturing process used in the production of these materials conform the current regulation: UNI EN ISO 13485 "MEDICAL DEVICES QUALITY MANAGEMENT SYSTEMS".

To whom it may concern,

David MOUNICHETTY

Quality Manager
